### **Rameder opens branch in Finland Plus: booth at the “Autokorjaamo“ trade fair**

**Rameder**, Europe’s largest provider of automotive transport solutions, geared its portfolio to Finnish requirements and presented it in November at the “Autokorjaamo“ trade fair in Helsinki. **Rameder** was very content with its attendance, which also marked the opening of its Finnish branch. Many visitors converged on the booth and the **Rameder** staff provided lots of information on their extensive product portfolio. You can find the online shop at [www.rameder.fi](http://www.rameder.fi) - in Finnish, of course.
